

THE DRIVING FORCE IN NICHE LOGISTICS

AUTOMOTIVE

Auto Shows, trade shows, hot and cold weather testing, prototypes, parts and VIP deliveries.

The Rodair Auto Team channels our collective experience to provide customized transportation solutions for your specialty automotive needs.

We build our customer partnerships upon a framework of trust. Trust in our abilities to provide precise communication, timeliness and accuracy in our day-to-day interaction with every client.

From the shipment of sedans to Shanghai to the clearance of containers of production parts through Canadian customs, we are your automotive transportation specialists.

Let us accelerate your expectations of a logistics professional.

The driving force in Niche logistics.
