

FROM FACTORY FLOOR TO RETAIL DOOR

# FASHION

***Fashion shows, trade shows, garment on hangers (GOH), flat goods processing and VIP deliveries.***

The Rodair Fashion Team channels our collective experience to provide customized transportation and distribution solutions for your latest fashion line. We build our customer partnerships upon a framework of trust. Trust in our abilities to provide precise communication, timeliness, and accuracy in our day-to-day interaction within every client.

Whether you have a show stopping sample from Italy or a container of the latest fashion from China, Rodair Fashion Team ensures that your fashions arrive at the final destination on time and in pristine condition.

Let us show you how our innovative Tote solution can securely transport your high fashion garments around the globe. Our unique Tote is designed to be transferable among all modes.

Rodair Fashion. Making your supply chain seamless.
