

Why Rodair Customs Brokerage?

Rodair Customs Brokers are expert advisors in classification, compliance, and clearance who have the knowledge and expertise to meet all government requirements and regulations of the Canada Border Services Agency (CBSA). By partnering with Rodair Customs Brokers, shipments move effortlessly across the border to arrive at their destinations on time.

Rodair Customs Brokers understand every element of the supply chain process and adapts to policy changes which minimizes costly errors for clients. With a strong network of partners strategically located in all major cities across the Canada/US border, Rodair Customs Brokers expedites the movement of goods to reach supply chains faster allowing clients to focus on their business.

Rodair Customs Brokers prides itself on offering a full spectrum of customs services and delivering exceptional customer service to provide clients with the right customized solution. Below are the benefits of choosing Rodair Customs Brokers as client partners.

Client partners will:

- Avoid fines and shipment delays
- Stay compliant through the complexities of dealing with international customs protocols
- Receive the greatest duty and tax relief
- Import and export 24/7 year round
